Why Should I Attend?

1. I love donuts and bagels
2. I prefer that someone else to get my coffee on Saturday, May 5th
3. I want to help my team have a great season

Thank you for volunteering to help your team as a starter, S&T judge, data manager or meet director this year! This clinic will give you the most current information on league rules and procedures, so we can ensure consistent and standardized officiating and operations across the league. Please come brush up on your league skills, share your knowledge, enjoy coffee and breakfast snacks as we kick off another wonderful JSSL season!

*Anyone who plans to serve as a Stroke & Turn Judge for the 2018 season should attend this clinic. Attendance is required for first year Stroke and Turn Judges.
